## PRICES FOR CANVAS WRAP

All canvas wraps are printed using the very latest Epson wide format printers with ultrachrome technology, meaning archival, fade free canvas printing results and an authentic gallery feel. We have chosen the highest quality gallery canvas which is made from 100% pure cotton and acid-free. The canvas is heavy weight 380gsm with a bright white finish and is completely seedless for perfect photographic reproductions. My canvas is hand stretched around 2" bars, made from finger jointed pine for superior quality that is knot free and will not bow. Corners are tensioned with wedges and can be tightened at a later date if necessary
